DESCRIPTION

7a. Architectural style: Transitional Bungalow7b. Briefly describe the present physical description of the site or structure and describe any major alterations from its

A truncated hip-roof with a hipped-roofed front dormer covers this square, one-story house. Windows are double-hung except for a large, fixed, front window. The raised foundation is covered by vertical boards while the main structure and two window dormer has channel rustic siding. A recessed porch partially extends across the front and one side, with square posts and simple, geometric balustrade. A flight of stairs on both sides lead to entrance doors.
