#### DESCRIPTION

- 7a. Architectural style: Homestead Cottage
- 7b. Briefly describe the present *physical description* of the site or structure and describe any major alterations from its original condition:

This one and one-half story structure appears to have had the one story gabled section added later. The main section has open gables with boxed returns and lap siding. Some double hung windows exist with others removed to accommodate larger fixed sash windows. The one-story section is similar with the cornice being simplified by not being boxed.
