## DESCRIPTION

ID

- 7a. Architectural style: Queen Anne
- 7b. Briefly describe the present *physical description* of the site or structure and describe any major alterations from its original condition:

This 1½ story cottage has open gables sheathed in narrow rustic siding. The front gabled section consists of a slanted bay on the first floor becoming squared off on the second floor. Cut shingles fill in above the gable windows and the lower front window has a decorative glass pattern. The small front porch consists of turned columns with brackets supporting fretwork. Original stairs and balustrade has been replaced.
