DESCRIPTION

- 7a. Architectural style: Non-Specific
- 7b. Briefly describe the present *physical description* of the site or structure and describe any major alterations from its original condition:

This small gabled cottage with paired double-hung windows and rustic siding has been raised to accomodate the addition of a lower story. The cottage is an offset gable with partial returns of the gable ends, a boxed cornice and plain frieze. The windows are tall, narrow, and often paired. A porch occupies one side of the second floor (further evidence of raising) and has a solid shiplap balustrade and turned tableleg pillars with brackets.
