SIGNIFICANCE

19. Briefly state historical and/or architectural importance (include dates, events, and persons associated with the site.)

This is a good example of a "carpenter built" house using all period ready-made materials.
This house was built in 1895 for Harry W. Cummings. Cummings had a livery stable at the corner of Healdsburg Avenue and North Street, and in 1911 sold the home to W.L. Schrieber. Schrieber sold the home in 1918 to James B. McCutchan and his wife, Jennie Bell, who came from a pioneer Windsor family. McCutchan was engaged in the hop business with his brother, William.
