DESCRIPTIÓN

- 7a. Architectural style: Queen Anne Cottage
- 7b. Briefly describe the present *physical description* of the site or structure and describe any major alterations from its original condition:

This one story cottage built over a half basement has a hip roof with a gabled front "L". The main cornice is boxed with a plain frieze. The gabled bay is slanted with four double-hung windows with angle brackets composed of turned and sawn elements. The large entry porch supported by turned posts and the roof also has turned columns beneath. The columns are decorated with turned and sawn brackets with turned fretwork filling in. The porch balustrade system consists of two rows of turned ornaments between molded railing. The original stair balustrade has been replaced. The gable has a multi-lite window and is filled in with cut shingles. It is finished with a small barge board and decorative gable brace.

## SIGNIFICANCE

19. Briefly state historical and/or architectural importance (include dates, events, and persons associated with the site.)

This nicely decorated cottage is particularly unique for its entry porch. It being especially large and ornate in relation to the house and for its use of decorative posts to support it rather than the more common way of framing the porch.
